Washington, D.C. – Congressman Kevin McCarthy issued the following statement condemning today's terrorist attack and recent violence in Israel:

"I was deeply troubled to learn of today's terrorist attack on Israel. This bombing is the latest occurrence in an unacceptable string of violence against our good friend and close ally. Israel remains under constant threat from those who oppose its existence, and I stand firmly in support of the Israeli people as they continue their struggle for peace. The families of the victims, and all those who were injured in this act of terror, are in my thoughts and prayers."
